They begin a new year

School is work and fun, too, as is portrayed by these pictures. In upper left and reading down, George Balekos had the distinction of being the last one in the pool before it was "winterized." "Bottle and Jug" band entertained at the school Christmas party. Football boys "Outdoor Dressing Room." Seniors about to begin a new life. (Upper middle) Louis and Dean before removing gum from the chairs in the band room. Science assembly program from the Atomic Energy Commission. Girls returning after the half-time pep talk. (Upper right) M-F-L's answer to the mini skirt. When everything else fails, follow directions. The big wind up.

ADMINISTRATION

Inspecting the new kitchen equipment are the school board members (left to right): Marvin Miller, Sup't. A. N. Busse, George Heins, Gilbert Fox, Curtis Zieman, Gordon Hanson, William Schlein, and Gordon Schultz.

They chart our course

These are the men who give their time and effort, without pay, for the betterment of our community and the students. They attend at least one meeting a month and, if necessary, any special meetings. The board has the primary responsibility for the new addition to our school.

Limited in their authority by specific school laws, their role, nevertheless, is that of providing adequate education for the boys and girls in our school district. They serve a three-year term and represent four areas in our school district.

The first officers of the Monona school district, established in 1850, were Jonathan Smith, pres.; T. A. Olmsted, sec.; and H. E. Howe, treas. The first officers of the Luana school district were Henry Palas, pres.; and George Engelhardt, sec. Records were not available for the first officers of the Farmersburg school district.

The first officers of the M-F-L school district, consolidated in 1962, were Gordon Schultz, pres.; George Heins, sec.; and Gilbert Fox, treas. These men are still serving in this capacity.

They define our policies

The superintendent is responsible for the running of the entire school system.

He is assisted by the junior high and senior high principals and the director of elementary education who are responsible for the attendance and the conduct of the students.

The guidance counselor has the responsibility of the registration of the students and of the testing program.

Many standards of the teaching profession have changed during the past 75 years. At one time, qualifications for teaching were mostly personal attributes rather than training. Even within the last 30 years, it was possible for a person to teach without any college work in the rural schools of our state or in town if the board would hire the individual.

Now a minimum of four years of college work are required for elementary teachers, and four years for a high school teacher. In addition, many teachers spend part of their summer vacation working on advanced degrees or attending workshops in their field of instruction to improve the quality of their teaching.

The members of the council are chosen when the class officer elections are held. The freshman, sophomore, junior, and senior class presidents are automatic representatives. The senior class elects two other representatives, while one other representative is elected from each of the other classes.

The officers of the council are elected by the representatives themselves. The president must be one of the seniors who is not the senior class president. The vice-president is the other senior, and the secretary is elected from the remaining representatives.

The high school principal is the sponsor of the student council.

Dedication

Jackie Bernhard

April 20, 1948 - July 11, 1956

Jackie Bernhard, who would have been a member of the class of 1967, lost his life in a haying accident.

Jackie had completed the first grade and would have entered the second grade at Monona that fall. He was a member of the Monona Methodist Sunday School.

His classmates will remember Jackie as the typical little boy who liked to play ball, roller skate, and enjoy outdoor sports.

Arno Blumhagen

May 6, 1908 - January 26, 1967

Arno Blumhagen was a bus driver for our school for fourteen years. During this time, he had the same bus route south of Monona. Many boys and girls rode on his bus during their entire school years at M-F-L.

Duties of a bus driver go far beyond safe driving. They include friendly encouragement to a reluctant first-day kindergarten pupil to a stern reprimand for youthful enthusiasm on the part of older boys and girls.

He took a sincere interest in his passengers and awarded them with treats at Christmas and the last day of school.

His acts of thoughtfulness and spontaneous kindness endeared him to the students of M-F-L.

ROW 1: M. Carroll, C. Miller, D. Walter, D. Scheffert. ROW 2: K. Ryan, E. Swestka, M. Gunderson, N. Schultz, H. Ihlenfeldt.

On March 20, 1967, seven students were inducted into the Blanche Sherman chapter of the National Honor Society in the multi-purpose room of the Monona center. These students were selected by the faculty on the basis of character, scholarship, leadership, and service.

The program was planned by Donna Lou Scheffert and Harlan Ihlenfeldt, inductees of 1966, and a committee of the faculty. Special guests were parents of the members of the society.

Following the program, a reception was held for the members, their parents, and faculty in the home economics room.

Mr. Vangen served as master of ceremonies.

Entertainment consisted of a vocal trio and instrumental duet.

Sports and Activities

Girls basketball has been popular in our community for many years, these girls played on the team in Luana in 1918.

ROW 1: Amanda Kamps, De Etta Rekow Landt, Pearl Land Zurcher, Veryle Nichols Miller. ROW 2: Florence Lindroth Swenson, Hilda Kamps Engelhardt, Amy Burdick, Helen Truman Eno.

When the three school districts merged in 1962, each school brought an impressive record of achievements of their students in all facets of school activities.

Searching among records we discovered that the Luana boys basketball team advanced to the state tournament in Des Moines in 1935 but were defeated in the first game.

Many residents remember that in 1951 and 1952 the girls of Monona advanced to the finals at the state tournament and finished as the runners up with Norma Schoulte receiving special recognition.

As indicated in the picture, Farmersburg produced a boys county basketball conference winner in 1932-33.

ROW 1: Pem Bernhardt, Will Vulgraf, Irwin Hazlett, Donald Klinkel, Floyd Schwab. ROW 2: Prof. Wm. Antes, Clarence Garms, George Frohwein, Weiner Wappler, Frank Ulish, Leslie Smith.

Groups Are Chosen

Due to basketball games and wrestling meets occurring on the same nights, the cheerleaders are divided into groups of four. These two groups alternate for the events and halfway through the season, the groups are changed, allowing each girl to cheerlead with different cheerleaders.

They ran to victory

This is the first year that the Upper Mississippi Valley Conference has held a track meet for girls. The M-F-L girls placed first in eight events which enabled them to capture first place at the meet held at Delhi. They have hopefully set a precedent for the future track girls by winning this title.

The girls also placed third in the District Meet and fourth in the Girls Invitational which were both held at Monona.

Five girls went to state in three events. Doris Berns went in the 440 yard run. Joan Christianson, Donna Lou Scheffert, Vicki Miller, and Bernice Sanger qualified for state in the 320 yard shuttle relay and the 440 yard relay. The girls running in the 320 yard shuttle relay and Doris Berns, 440 yard run, were undefeated all season until the state track meet.

Co-captains: Donna Lou Scheffert and Mary Gunderson.

Does she, or doesn't she?

They ran on and on

The 1967 boys track team placed fourth in the Upper Mississippi Valley Conference Meet and eighth in the Bulldog Relays held at Monona.

Four boys qualified for state. Bruce Monserud, Jim Sass, Louis Zittergruen, and Ken Ryan ran in the two mile relay. Louis Zittergruen also qualified in the 880 yard run.

Co-captains: Jim Sass, Daniel Meyer, and Louis Zittergruen.

Many changes made in 75 years

Today, almost 240 students play instruments. Most of these students begin in the fifth grade and take lessons weekly. Thirty years ago only about fifty students played instruments. They took their lessons in the boiler room where no noise could distract the students in the other parts of the school. They were under the direction of an itinerate band director who came once a week, in contrast to the concert band rehearsals now held every day during a scheduled class period.

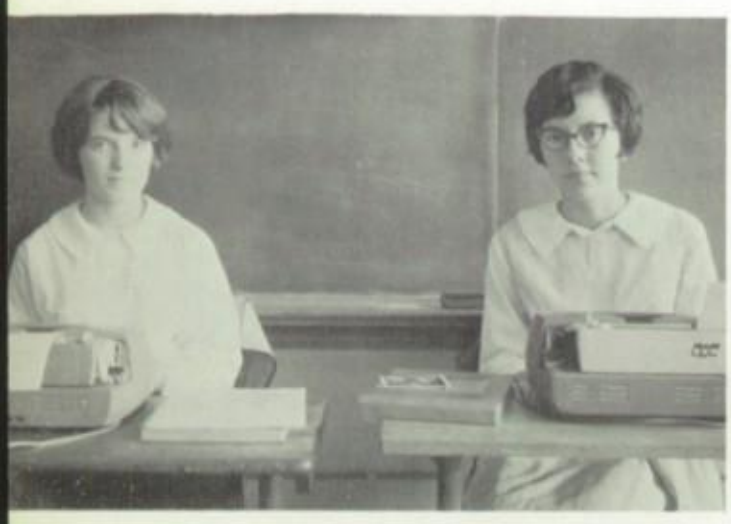
"Office Practice" is a course that offers girls interested in a clerical career an opportunity to have on-the-job training. They serve as secretaries one period a day to teachers who have enough work to warrant their assistance.

They spread the news



Carla Berns and Linda Schave
Co-editors of the Bulldog Growl

Included in the secretarial course is a unit on "Good Grooming." Mrs. Helen Saeugling spoke on proper make-up and skin care. Verla Baade is her model.

"I read the school page first" were words that helped make the work worthwhile for the editors of the Bulldog Growl. Linda Schave and Carla Berns were responsible for editing, typing, and assembling the school news for the local newspaper. They were assisted by the members of the secretarial practice class and some of the typing students. It is hoped that next year it will be possible to have a newspaper staff so that more of our students can benefit from this extra-curricular activity.

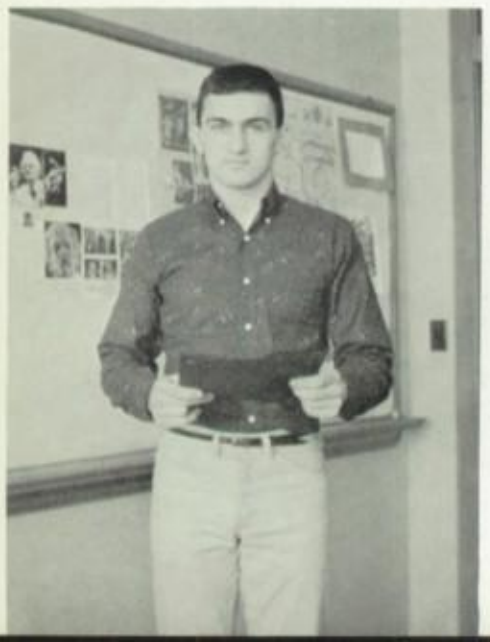
All the speech students participated in the speech contest at Garnavillo and the district speech contest at Epworth. The purpose of the contest held at Garnavillo was to aid the contestants for future competition.

The district contest, held March 18, was the contest that advanced the students who had received Division I ratings to the state speech contest.

The state speech contest was held at Mason City on April 8. Ken Ryan was the only speech student who had received a Division I rating at the district contest, so he advanced to the state contest where he entered into competition in Dramatic Declamation and Interpretive Reading.



Ken Ryan received a Division II rating at the state speech contest in both Dramatic Declamation and Interpretive Reading.
